

Packstat PS030 is a special and durable flatback paper masking tape with a strong natural rubber adhesive. Due to the strong adhesive, it is ideal for splicing and reinforcing applications, and the resistant paper backing makes the tape especially suitable as a stencil material for spray painting applications or sandblasting glass, mirrors, and stone with the durability of 6 sec./4 bar. It can also be laminated to the back of mirrors serving as shatterproof safety tape and meets the requirement according to DIN EN 12600. The flatback paper masking tape features excellent adhesive properties on different substrates, good portability, great paint anchorage, hand tear ability and resistance to temperatures of up to 100°C.

Product Benefits

- Durable flatback paper backing with
- Hand tear ability and resistance to
- temperatures up to 100°C
- Excellent adhesive properties on
- different substrates
- Meets the requirement according to DIN EN 12600

Main Applications

- A special, durable tape used for splicing and reinforcing applications
- The flatback paper masking tape is suitable as stencil for spray painting applications or sandblasting glass, mirrors, and stone with the durability of 6 sec./4 bar
- Can be used as shatterproof safety tape, meeting the requirement according to DIN EN 12600

Product Properties	Unit	Nominal Value
Thickness	µm	330
Tensile Strength	N/cm	93
Adhesion to Steel	N/cm	8
Temperature resistance	°C	100
Elongation at break	%	6
Type of adhesive	N/A	Natural rubber
